ANNUAL REPORT 2020

Western Illinois Bancshares Inc.

CELEBRATING 150 YEARS STRONG. HONEST. LOYAL. Dear Shareholder:

As I write this on April 6, 2021, I must thank all of our customers, staff, stockholders and people in the communities we serve for their hard work, support, and resilience during the past year. Our world and yours has literally dealt with the Good, the Bad and the Ugly.

On the Good side, many have been forced to learn how to do their banking electronically. Most have become adept at ordering everything they need to sustain their daily lives with their cell phone or other electronic device. We, in our rural communities, have satisfied our appetites by ordering takeout meals in an effort to broaden our menus while helping local businesses stay alive.

We have learned to better appreciate those essential workers who had to risk exposure to Covid-19 so we could get our mail, medicines, groceries, etc.

When it comes to the Bad, one could fill a book. Education, at all levels, suffered enormously. Family and friends were forced to stay apart. Public transportation was greatly reduced and travel restrictions abounded.

Wearing a mask became mandatory. It often made it hard to recognize the mask wearer. For those of us with impaired hearing, it made it very hard to understand what the masked speaker was trying to say.

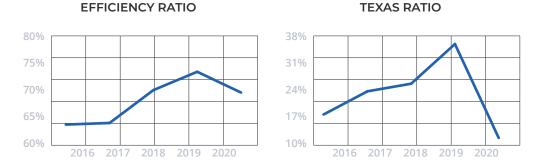

The Ugly includes the deaths attributed to Covid; the taking of personal freedom by those in government at all levels, and the media's increasing tendency to create the news rather than report it.

Back to Good news! Farmers are seeing better crop prices than they have in years. With the vaccination rate rising rapidly, herd immunity may be coming. Spring is here and the outside beckons.

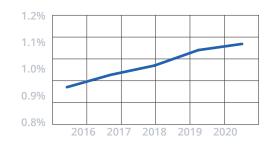

Thank you for your support this past year. I hope we will be able to improve earnings in 2021 while meeting the banking, mortgage, insurance and wealth management needs of our customers and stockholders.

Augustin S Hart III

President, Western Illinois Bancshares, Inc.

NON-INTEREST INCOME TO AVG ASSETS

Dear Shareholder:

The Latin word De Novo means to start anew, a second time. Although Western Illinois Bancshares started in 2005 and was in banking terms considered to be a De Novo then, we are poised to start anew in 2021.

Our audited statements for 2020 reflect consolidated net earnings of \$3,199,753, compared to \$3,737,271 in 2019. The decline in our net earnings can be primarily attributed to an increase in our loan loss provision of \$650K and an increase in our tax provision of \$405.6K. Overall return on average common equity was 6.03% and we paid \$1,339,955 in common dividends to our shareholders, or approximately 41.5% of earnings.

While our earnings performance in 2020 was lower than our target, we could not start anew until our problem loans were addressed. We charted a course several years ago to improve our credit quality and we were able to achieve this goal in 2020. This is evidenced in the Bank's Texas Ratio, which measures past due and non-performing loans against our Allowance for Loan Losses. Year-over-year this ratio improved significantly, dropping from 39.0% to 11.1%, which is now in line with our peers.

Another favorable and unexpected result in 2020 was the Bank's deposit growth. Due to the pandemic stimulus and some new larger customers, deposits grew 14.4%, going from \$393.2 million to \$449.6 million. This amounts to three to five years of deposit growth. While we expect a portion of these funds to be spent, a high percentage should become part of our core deposit base.

Although the Covid pandemic prevented our Directors and Management Team from gathering for formal strategic planning last year, we did not hit the pause button. Our team continued their work on our three focus areas: credit quality, operating efficiency and non-interest income. We will be holding a comprehensive planning session in April that will be considering the long-term business effects of the pandemic and the direction of a new administration in Washington.

During the first fifteen years of our existence, we have been gradually transitioning from a traditional community bank model to a financial services company. The traditional model is heavily reliant on net-interest margin that is driven by loan growth. While we continue to seek loan growth, we are less dependent than in the past and look to place a greater emphasis on quality. At the same time, work continues on building our four pillars of non-interest income: insurance, wealth management, mortgages and card services.

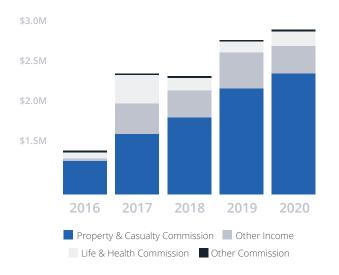

I am proud of our team's ability to turn challenges into opportunities. Their planning and hard work are the seeds that will lead to a bountiful harvest. This should soon be reflected in our numbers as we move further into the new year and begin anew.

In writing this letter, I realized that for the most part it was business as usual for our company in 2020. Despite the pandemic, we were able to keep both the bank and insurance agency operating at a high level, while maintaining a safe environment for our staff. This would not have been possible without a tremendous effort by our team. Many of them went above and beyond to make this happen and we are very thankful for their dedication and hard work.

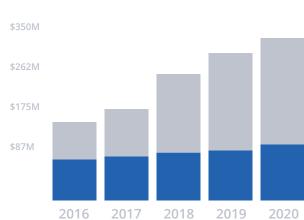

Thanks to all of you for your continued support!

COMMUNITY IMPACT

Western Illinois Bancshares, Inc. is committed to making a positive impact through community involvement both financially and philanthropically. Our team members serve as leaders across their communties volunteering as board members, coaches and mentors. Whether it is through Relay For Life, United Way, local Chambers or other organizations, our employees genuinely enjoy giving back to their communties. In a year that found our small businesses and non-profits with limited resources, we made over \$125,000 in contributions to our communities.

Despite the pandemic, we were able to keep both the bank and insurance agency operating at a high level, while maintaining a safe environment for our staff. This would not have been possible without a tremendous effort by our team. *"We are grateful for all of the many ways our hometown bank works with us."*

-Small Business Customer

LOCAL RESTAURANTS

In an effort to help support local restaurants, Midwest Bank and Porter-Hay Insurance purchased lunches for employees on Fridays throughout 2020 at all of our locations.

COVID ASSISTANCE

Through our partnership with Federal Home Loan Bank of Chicago, Midwest Bank received \$36,000 in COVID-19 Relief and Targeted Impact Fund Grants. Paired with additional funds from Midwest Bank, we were able to distribute \$41,000 to area small businesses and nonprofit organizations struggling to make ends meet.

7TH ANNUAL RAK WEEK

Midwest Bank & Porter-Hay Insurance host an annual Random Acts of Kindness week each year in December. Our mission is to spread kindness in our communities and encourage others to pay it forward. Our employees enjoy participating every year and it inspires us all.

ELECTRONIC BANKING

Midwest Bank continued to operate throughout branch lobby closures in order to protect our team members and customers. We implemented a drive-thru banking model with appointment only lobby service. Our Electronic Banking channels were leveraged to communicate and serve our customers. We saw an increase of both enrollment and usage throughout 2020.
